### **RGM Memo**

Date January 25, 2013  
To California School Owners and Financial Aid Personnel  
Re New STRF fees and Enrollment Agreements signed before January 1, 2013

---

Dear California School Owner and Financial Aid Personnel,

Our office has received many phone calls regarding the STRF fee that changed from \$2.50 per \$1000.00 Institutional charges to \$0.50 per \$1000.00 institutional charges on January 1, 2013.

Many schools did not feel it was fair to pay the higher fee if the student signed the enrollment contract prior to January 1, 2013, but did not start school until after January 1, 2013.

We wrote an email to, Joanne Wenzel, our contact at BPPE, and she recommends the following:

I understand that. The option is to have the students sign a new enrollment agreement to replace the existing agreement.

Joanne
