Dear School Owners and Financial Aid Personnel,

I have attached two important items on Verification for the 2013-2014 award year.

RGM reminds schools they are required to publish this information in their school catalog and financial aid handout.

- 1) Verification Policies and Procedures- explains the new verification policies and procedures for the 2013-2014 award year.
- 2) 2013-2014 Verification forms for your school use only. There are now 18 pages related to verification. The use of each form will depend on the Verification Tracking Group that the student was placed into by the Department. Once the tracking group is known, depending if the student is Independent or Dependent, you will use the appropriate form for the student.

Thank you,
