RGM Memo

Date May 8, 2013
To School Owners and Financial Aid Personnel
RE COD Website access

Recent changes made to the COD website will prevent you from logging in if you are not currently enrolled with COD Online Services.

For schools who are under our TG#, we sent signature pages to authorized personnel to sign and return to us for your employees at your school needing COD access so we can complete the enrollment through the COD online services.

An email from FSA will be sent to the employee with the FSA log in i.d. and temporary password with instructions on activating the account using the Token.

Please read the Electronic Announcement in its entirety.
