RGM Memo

Date September 24, 2013
To School Owners and Financial Aid Personnel
RE Day One of Program Review

Yesterday was our first day of our Program Review.

Everything seems to be going very well.

The Program Reviewers have made one good recommendation which we will be implementing soon. More information on that recommendation will follow as the week progresses.

We will send you a brief report of our Program Review on a daily basis.

Thank you for your continued support.

Rafael
