RE: New Access to RGM Website

Effective Monday, February 24, 2014, we have changed the security credentials to access the CLIENTS ONLY section in the RGM website.

Our website www.rgmsms.com contains valuable information for the Financial Aid Professional including the history of RGM. The CLIENTS ONLY and MEMO tabs require a USER NAME and PASSWORD.

In order to protect the information under CLIENTS ONLY/MEMOS tabs being accessed by persons who no longer work for one of our clients or from any former client, we have changed the credentials to log into the CLIENTS ONLY section to the following:

USER NAME= log in i.d. from the RGM Web System

PASSWORD= email address under the EMPLOYEE PROFILE in 1041 in the RGM Web System.

If your employee profile does not have the employee email address, please update that information under TRX 1041.

If you have any questions, please contact us.

Thank you,

Rafael
