### **RGM Memo**

Date: February 24, 2014  
To: School Owners and Financial Aid Personnel  
RE: Official 3-year cohort default rate sanctions

---

Dear School Owners and Financial Aid Personnel,

Last week the DRAFT of the 3-year cohort default rates for your school was released. Please see the memo we sent on February 21, 2014.

I have attached a copy of the sanctions of the OFFICIAL 3-year cohort default rates from the FSA Conference presentation. The Official 3-year cohort default rate for 2011 will be released in September 2014.

Please contact us if you have any questions.

Thank you,  
Rafael
